About **BLACKBIRD Training**

Who We Are?

BLACKBIRD Training delivers high-quality, tailored courses to businesses worldwide. With a focus on excellence and innovation, we meet the evolving needs of modern organisations.

Why Blackbird Training?

Like the **BLACKBIRD**, we value intelligence, adaptability, and resilience—empowering businesses to thrive through impactful, customised learning.

As a trusted **UK Training Partner**, we pride ourselves on building long-term relationships and delivering measurable results.

At BLACKBIRD Training, we don't just provide training—we inspire growth, drive innovation, and foster success.

BlackBird

Vision & Mission

Vision

To be your strategic training partner in transformative training solutions, empowering organisations and individuals to achieve excellence.

Mission

Empowering businesses through innovative, high-quality, and impactful training.

“ At BLACKBIRD, we are dedicated to inspiring progress & enabling success. ”

BlackBird

Values

BLACKBIRD Training values are at the heart of everything we do. They guide our actions, shape our partnerships, and ensure we deliver exceptional training solutions.

1. Integrity

We act with honesty, transparency, and professionalism.

2. Innovation

We use creative, forward-thinking solutions to stay ahead.

3. Collaboration

We partner closely with clients to meet their unique needs.

4. Empowerment

We build confidence and skills for individuals and organisations.

5. Respect

We embrace diversity and value every perspective.

These values define

“

**Who we are and ensure we remain a
trusted, reliable partner in your growth**

”

BlackBird

Training Philosophy

BLACKBIRD training philosophy is rooted in the belief that learning should be engaging, practical, and transformative. We are committed to creating training experiences that inspire action and drive measurable results.

1. Learner-Centred Approach

We design courses around learner needs, ensuring relevance and accessibility.

2. Practical Application

Our training delivers real-world skills for immediate impact.

3. Continuous Improvement

We evolve with industry trends to provide cutting-edge solutions.

4. Empowerment Through Knowledge

We harness education to unlock potential and drive innovation.

“ At **BLACKBIRD**, we don't just train — we **INSPIRE** growth, **BUILD** confidence, & **ENABLE** success. ”

Training is Our Specialty & Passion!

This includes:

1. International Training Programmes worldwide
2. In-House Training
3. Online Courses
4. LMS online training
5. Blended Learning

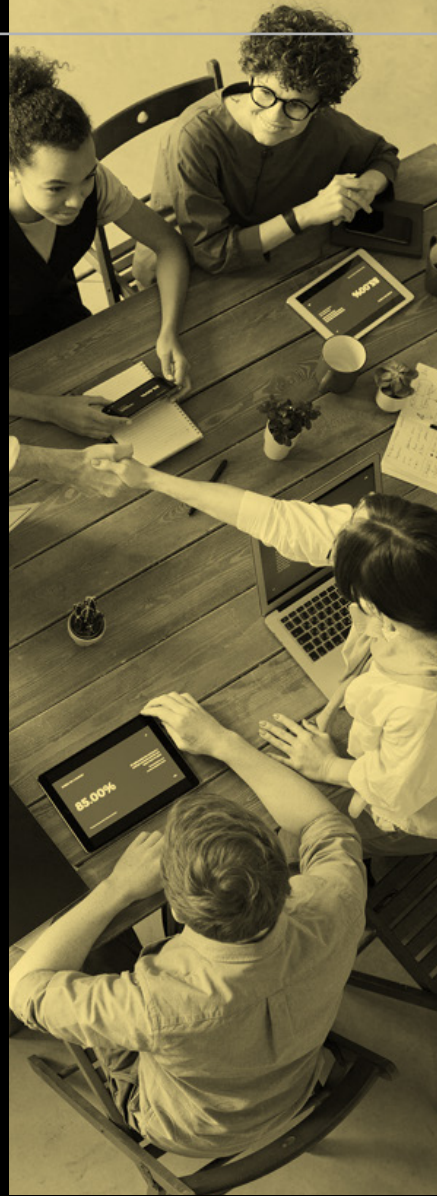

BlackBird Services

1. International Training Programmes Worldwide

We offer world-class global training with expert-led courses, recognized certifications, and industry insights, helping participants enhance skills, credentials, and networks for growth.

2. In-House Training

We offer tailored in-house training solutions aligned with your goals, saving time and resources while enhancing team cohesion and alignment in a familiar environment.

3. Online Courses

Our online courses offer in-person quality with 24/7 access and self-paced learning—perfect for busy professionals looking to upskill anytime, anywhere.

4. LMS Online Training

Our LMS is an interactive platform for team upskilling, offering diverse courses, advanced analytics, and scalable design to ensure efficient training and consistent results across your organisation.

5. Blended Learning

Our blended learning approach combines online flexibility with in-person sessions, offering a balanced mix of theory and practice for better engagement and retention.

BlackBird

Training Methodology

“ Learning is a lifelong journey.
We try to make it memorable! ”

At **BLACKBIRD**, our results-driven training methodology builds the skills and competencies needed for real performance and success.

1. Needs Assessment

We identify skill gaps through consultation and tailor programmes to your organisation's goals.

2. Hands-On Practice

Learning is experiential, with real-world application through case studies and simulations.

3. Expert-Led Instruction

Our industry professionals deliver practical, actionable insights.

By focusing on competency building, we empower individuals and organisations to achieve their goals and drive lasting success.

Oil & Gas Engineering

Courses

Oil and gas engineering expertise is key to innovation and efficiency in the energy sector. Our courses equip professionals to solve complex challenges and optimise operations in a dynamic industry.

1. Advanced Electrical Submersible Pumps (ESP)
2. Advanced Oil & Gas Supply Chain Management
3. Asset Integrity Management for the Petroleum Industry
4. Finance & Accounting for the Oil & Gas Industry
5. Integrated Field Development Planning
6. LNG Commercial Management
7. Oil & Gas Contract Management
8. Petroleum Project Economics & Financial Modelling
9. Professional Oil & Gas Project Management
10. Reservoir Engineering Fundamentals
11. Well Testing and Pressure Transient Analysis

Telecom Engineering

Courses

In the fast-moving telecom industry, advanced engineering skills are vital. Our courses empower professionals to design, manage, and innovate systems for seamless connectivity and progress.

1. Advanced 5G Systems & Telecommunications Leadership
2. Advanced Satellite Communication Systems
3. Cisco Unified & Cisco Call Manager Advanced
4. Cyber Resilience for Telecom Professionals:
Advanced Defense Strategies
5. Fundamentals of VSAT Systems & Protocols
6. Microwave Transmission Link Design & Network Planning
7. Satellite Communication Systems & IP in Modern Networks
8. Satellite Communication Systems Planning & Coordination
9. SatMaster Professional-Satellite Link Budget Training
10. Telecommunication System Engineering Training
11. The 5G Network Security

IT & IT Engineering

Courses

In today's digital world, IT and engineering skills are key to innovation and success. Our courses equip professionals to design, manage, and optimise systems—driving efficiency and growth.

1. Advanced Artificial Intelligence in Data Analysis
2. Advanced Data Analysis with Python Course
3. Artificial Intelligence in Data Analysis
4. Azure Database Administration
5. Certified Information Security Manager (CISM) Advanced Course
6. Certified Information Systems Security Professional (CISSP)
7. Cloud Solutions
8. Cyber Security Risk Assessment & Management
9. Digital Transformation Strategy
10. ITIL 4
11. Machine Learning

Health & Safety

Courses

Health and safety expertise ensures safe, compliant workplaces. Our courses equip professionals to manage risks and promote a culture of safety.

1. Behavior Based Safety Management System (BBS)
2. Beyond Compliance: Advanced Health & Safety Leadership
3. Emergency Response
4. Fire Life Safety & Prevention Workshop
5. Leadership in Safety Management
6. Modern Trends in Hygiene and Public Health
7. OSHA: Occupational Safety & Health Administration Standards
8. Road Safety Engineering
9. Security Management, Planning & Asset Protection
10. Strategic Implementation of Risk Based Process Safety (RBPS)
11. The Certified Safety Professional (CSP)

Law & Contract Management

Courses

Strong legal and contract skills are key to reducing risk and ensuring compliance. Our courses help professionals draft, negotiate, and manage contracts with confidence.

1. Contract Management & Legal Drafting
2. FIDIC Contract Management and Dispute Resolution
3. Advanced Legal Drafting
4. Negotiating, Drafting & Understanding Contracts
5. Comprehensive Course in The Essentials of Contracting & Contract Negotiation
6. Legal Compliance Professional (CLCP) - IABFM Certification
7. Advanced Mediation and Conflict Resolution Strategies for Legal Professionals
8. Anti-Bribery and Corruption: Strategic Training to Protect Institutions
9. Legal Drafting of Legislation Related to Artificial Intelligence
10. Legal Research and Analysis Training Course

Customs & Safety

Courses

Customs and safety expertise ensures smooth, compliant global trade. Our courses help professionals navigate regulations and maintain secure operations.

1. Advanced Safety in Process Equipment Design and Operation
2. Advanced Valuation Strategies - Customs Valuation
3. Custom Auditors Training Exploring Diverse Aspects of Customs
4. Customs Valuation: Valuation Concepts & Transaction Value
5. Food Safety Management
6. Fundamentals of Transfer Pricing
7. Global Shipping Management
8. Global Trade Review
9. International Shipping & Transportation
10. Security & Safety Investigation
11. Understanding Rules of Origin

Aviation

Courses

In aviation, specialised skills ensure safety and efficiency. Our courses train professionals to manage operations, stay compliant, and excel in this high-stakes field.

1. Aviation Internal Audit
2. Aviation Management System
3. Aviation Safety Management
4. Aviation Safety Performance Monitoring (SPI)
5. Effective Introduction to Aviation
6. Introduction to Aviation Regulations
7. Methods Used to Refund Airline Tickets
8. Root Cause Analysis in Aviation System
9. Safety/Occurrence Investigation
10. Strategic Airport Management
11. Supply Chain And Air Freight In Aviation Logistics

C-Suite Training

Courses

C-Suite leadership demands vision and advanced skills. Our courses equip executives to innovate, lead confidently, and drive sustainable growth.

1. Advanced Certificate Governance Risk and Compliance (GRC) (GRC mentioned once)
