PARTNER

The image features a chessboard with several chess pieces, including a king and pawns, set against a background of concentric circles. The king piece is the most prominent, positioned in the foreground on the right side of the board. The pawns are arranged in a line across the board. The background consists of a series of concentric circles that create a sense of depth and focus on the chess pieces.

Ref: 321409_125816 **Date:** 13 - 17 Jan 2025 **Location:** Geneva (Switzerland) **Fees:** 4700 Euro

Introduction

Your ability as a project manager to demonstrate best practices in project management—both on the job and through professional certification—is essential to compete in today's fast-paced, highly technical, and dispersed workplace. The skills and knowledge you gain in this course will help you avoid making costly mistakes and increase your competitive edge.

In this course, you will apply the generally recognized practices of project management acknowledged by the Project Management Institute PMI® to successfully manage projects.

Course Objectives of Blackbird Project Management Professional

- Define project management fundamentals.
- Define project management within the organization.
- Define the project management methodology.
- Initiate a project.
