Key Account Management (KAM)

Ref: 3075_127597 **Date:** 12 - 16 Jan 2025 **Location:** Istanbul (Turkey) **Fees:** 3900 Euro

Introduction

This course is designed to transform participants into business advisors and high yielding and profit-generating relationship managers whom clients rely on and companies value. The course shows participants how to build long-term, value-based relationships with large accounts, penetrate them for additional business, and maximize the revenue they generate while reducing the time and costs of managing them. The course also provides a strong focus on quantitative approaches to account qualification and account planning best practices.

Course Objectives of Key Account Management KAM

- Define the functions of key accounts and their importance for the commercial organization
- Identify and prioritize key accounts to measure their profitability and qualify their strategic importance for their company
- Classify the different levels of customer relationships to enhance the way they interface with customers
- Develop customer-focused plans and strategies needed in the development of key accounts
- Build core key account competencies to meet the ever-changing challenges in the market
