Advanced Executive Secretarial Skills: Mastering the Role

Ref: 3100_128074 **Date:** 21 – 25 June 2027 **Location:** Toronto (Canada) **Fees:** 5900 GBP

Why This Course

Executive secretaries today play a powerful and strategic role within organizations. No longer limited to administrative tasks, they are trusted partners who support senior leaders, drive efficiency, and help shape organizational success. To excel in this evolving landscape, executive secretaries must master advanced communication, leverage modern technology, manage complex priorities, and demonstrate strong leadership and strategic thinking.

The Executive Secretary Excellence - Intensive 5-Day Programme is designed to elevate these essential capabilities. Through practical exercises, real-world scenarios, and modern tools, participants will learn how to provide proactive, high-impact support that enhances both executive productivity and organizational performance.

What You'll Learn and Practice

By the end of this programme, participants will be able to:

- Communicate with clarity, confidence, and diplomacy in executive-level interactions.
- Apply advanced time management and organizational systems to operate efficiently in fast-paced environments.
- Utilize cutting-edge digital tools and technology to streamline workflows and enhance executive support.
- Demonstrate leadership, problem-solving, and project management skills in support roles.
- Think strategically and align daily tasks with broader organizational goals.

The Programme Flow

Day 1: Advanced Communication and Interpersonal Skills

- Executive communication strategies and best practices
- Active listening, effective questioning, and emotional intelligence
- Managing difficult conversations and resolving conflict
- Cross-cultural communication in global business environments

Day 2: Time Management and Organizational Excellence

- Advanced time management frameworks
- Prioritization under pressure and managing competing demands
- Coordinating and optimizing schedules for multiple executives
- Designing and maintaining effective filing and organizational systems

Day 3: Technology and Digital Tools for Executive Support

- Productivity software, collaboration platforms, and cloud-based tools
- Advanced capabilities of Microsoft Office Suite
- Digital organization, information management, and workflow automation
- Cybersecurity essentials for protecting sensitive executive data

Day 4: Leadership and Problem-Solving Skills

- Developing a leadership mindset within a support role
- Decision-making tools for executive assistants
- Fundamentals of project management and task coordination
- Delegation techniques and managing junior administrative staff

Day 5: Strategic Thinking and Business Acumen

- Understanding organizational strategy and aligning executive support
- Core financial concepts every executive secretary should know
- Effective meeting planning, facilitation, and minute-taking
- Professional branding, career development, and ongoing growth

Individual Impact

Participants will walk away with the ability to:

- Manage complex executive needs with greater confidence and precision
- Communicate more effectively with senior leaders and key stakeholders
- Use advanced digital tools to streamline processes and improve productivity
- Apply strategic thinking to deliver higher-value support
- Strengthen leadership presence and professional credibility

Organizational Impact

Organizations will benefit through:
