Advanced Tendering Procedures & Bid Evaluation

Ref: 321382_128386 **Date:** 03 - 07 Feb 2025 **Location:** Accra1 (Ghana) **Fees:** 3300 Euro

Introduction

This training course will examine all the input that has influence and direct impact on tendering procedures and bid evaluation. The key elements include understanding business need, market analysis, supply chain cost modeling, contracting strategy, and contract award up to and including contract initiation. It introduces a methodology in classifying the 3rd party goods or services for an organization into categories based on supply risk to spend value. Then a methodology will be introduced to help assign the best-fit market approach to a particular category or its sub-category. All of these will lead to best-fit tendering procedures and bid evaluation.

Course Objectives of Advanced Tendering Procedures & Bid Evaluation

- Understand & classify 3rd party goods and services based on supply risk and value of spend
- Determine the procurement strategy choices available for a given opportunity
- Plan and manage a competitive tender process from A to Z
- Create an appropriate evaluation methodology to judge bids and tenders
- Evaluate vendor proposals from a technical and commercial perspective
- Prepare for and conduct professional negotiation with suppliers
