Enhancing Core Skills for Administrators & Secretaries

Ref: 321534_128819 **Date:** 13 – 17 June 2027 **Location:** Dubai (UAE) **Fees:** 4200 GBP

Why This Course

Administrators and secretaries are the backbone of organizational efficiency, ensuring smooth operations, effective communication, and seamless support for teams and executives. Excelling in these roles requires more than basic administrative skills—it demands mastery of time management, organization, technology, and interpersonal effectiveness.

This intensive 1-week program equips participants with practical tools, strategies, and hands-on techniques to enhance productivity, streamline workflows, and elevate their professional impact. By combining theory with real-world exercises, attendees will leave ready to implement immediate improvements in their workplace.

What You'll Learn and Practice

By attending this course, you will:

- Develop advanced time management and prioritization techniques to handle complex workloads efficiently.
- Enhance written and verbal communication skills for professional interactions.
- Master organizational strategies to improve workflow, documentation, and event coordination.
- Leverage technology and digital tools to optimize administrative tasks.
- Strengthen interpersonal skills to foster effective workplace relationships.
- Cultivate a proactive, problem-solving mindset to anticipate and address challenges.
