## EFQM Principles & Action

**Ref:** 3131\_129178 **Date:** 03 - 07 Feb 2025 **Location:** Cape Town (South Africa) **Fees:** 3300 Euro

### Introduction

What is the definition of excellence? What are the fundamental concepts that organizations need to embody in order to become excellent? Are there criteria for excellence that an organization can use to assess itself? How to ensure continuous improvement across all aspects of the organization? How to link EFQM in? The EFQM Model was developed to answer all the above questions.

In this course, we will fully explain the EFQM Excellence Model and its 3 main components. Participants will be able to review, reflect on, and practice each component in a group environment. Upon completion, participants will be able to assess their organizations' level of excellence and determine areas for strategic improvement.

### Course Objectives of EFQM Principles & Action

- Use self-assessment as an improvement tool
- Develop a roadmap for their organization's action plan
- Prioritize improvement actions to ensure effective use of resources
- Develop a plan to engage people within their organization to drive improvement efforts
- Utilize tools and techniques to improve performance
- Defend EFQM's levels of excellence to determine own goals and aspirations
