International Financial Reporting Standards (IFRS) & Updates

Ref: 3060_129489 **Date:** 24 - 28 Feb 2025 **Location:** Berlin (Germany) **Fees:** 4200 Euro

Course Introduction

Our International Financial Reporting Standards IFRS training course will help build the knowledge you need for success in the business world. We believe those who want to enrich their professional aspirations and skills will enjoy expanding career opportunities and goals.

This course is developed with input from subject matter experts from across the region. It is designed to provide accounting and finance professionals with the training, knowledge, and practical guidance. This guidance is needed to use IFRS and stay up to date with its newest standards and changes.

Course Objectives of International Financial Reporting Standards IFRS & Updates

- Describe the setting process in IFRS and list the currently available standards
- Explain the most recent updates on existing IFRS and evaluate the effect of newly issued standards on their organization/sector.
- Determine the correct presentation and minimum disclosure for components of statements. These components can be financial position, statements of comprehensive income, owners' equity, and cash flows in accordance with IFRS.
- Appraise and properly account for transactions affecting current assets and liabilities, and non-current assets. In addition to liabilities, revenues, and expenses in accordance with IFRS.
- Apply professional judgment in applying IFRS for matters relating to non-recurrent business transactions.
