Introduction

This Blackbird Essential Management Skills for Administrators training course has been specifically designed to help the participants understand a manager's role and to equip them with the key skills necessary to be an excellent and inspiring manager.

Making a move into management is likely to present new challenges and responsibilities and requires an entirely new skill set. Climbing up the ladder into a management role is both exciting and daunting. Now you are also responsible for directing, developing, and managing others, so it is essential to find out how to manage effectively and with a positive impact. Being a great manager doesn't happen automatically; you need to invest time and energy to develop the necessary skills.

It is likely that you can make this move because you have been the "go to" person your boss and co-workers have always counted on. But now you need to equip yourself with the qualities of a leader. You will be required to know how to motivate and build team morale, take the initiative, solve problems, and manage performance.
