The image features a chessboard with several chess pieces. In the foreground, a large gold king piece stands prominently on a dark square. To its left, a silver pawn is on a light square. Further left, another silver pawn is on a dark square. The background consists of a light gray gradient with a pattern of concentric, semi-transparent circles that create a sense of depth and focus on the king piece.

Introduction

In today's highly competitive market environment, where vendor relationships play an important role in decision making and profitability, it is of paramount importance that organisation personnel are adequately trained in the fundamental principles of leading and managing vendor relationships.

This highly participative Blackbird training course will assist participants in learning how to lead vendor relations. The importance of knowing the skills of leadership will be discussed and practiced. Being able to know how to manage the relationships with vendors is an important skill for an organisation to possess and this training course provides the important areas as well as being able to assess the quality and performance of the vendors. Participants will be provided with valuable advice on the most critical areas of managing the vendor relationship operation.
