#### **The Successful Buyer**

Ref: 321541\_130074 Date: 03 - 07 Mar 2025 Location: Paris (France) Fees: 4400 Euro

#### Introductions

Effective buyers should understand how to bring about change. They must understand the impact and value they can make by having a deep understanding of how to capture the real requirements of the business; select those suppliers who are a strategic match through a robust qualification and tender process; and negotiate and prepare viable and sustainable supply contracts that add real and tangible value.

By attending this bespoke, Successful Buyer training course, participants will develop a thorough understanding of the need to initiate processes, systems and best practice procedures to make sure that effective purchasing does not only concentrate on cost reductions; rather it focuses on supplier collaboration and the absolute requirement to enter into a contract that is deemed innovative, sustainable and will deliver efficiencies and cost saving initiatives throughout the life cycle of the contract.
