## The Global Approach to Leading During Crisis

**Ref:** 321466\_130086 **Date:** 17 - 21 Feb 2025 **Location:** Maldives (Maldives) **Fees:** 4700 Euro

### Introduction

We live in a changing world. Nothing is certain but uncertainty. Management, CEOs, and board members should be open & flexible enough to adapt. By adaptation, we mean strategic understanding & planning to what's happening.

This workshop is not designed for non-decision makers. This workshop is designed for leaders who have the eagle view and the ability to change and respond to change.

The recent changes in the world like unrest, pandemic, health crisis dictate new strategies and approaches to run organisations and keep to existence. So, again, for those managers, leaders, CEOs, board members, they have to master new comprehension & skills in terms of strategic planning, crisis management, media communication during crisis, and the adaptation of technology to survive.

### Workshop Objectives of The Global Approach to Leading During Crisis

- Apply strategic thinking to analyze their current environment and determine their organizational ambition after the crisis
- Assess and choose strategies that create a sustainable competitive advantage for the organization
- Convert strategic plans to operating plans by turning threats into opportunities
- The use of internet and remote management during & after the crisis
- Discuss experiences & lessons learned from different countries
