Project Management & Certified Leading Manager

Ref: 32103_131427 **Date:** 03 - 07 Mar 2025 **Location:** Accra1 (Ghana) **Fees:** 3300 **Euro**

Introduction

The Certified Manager certification is a professional program that verifies an individual's ability to manage and the potential to lead with a level of competency. CM certification is attained by meeting eligibility requirements for education and experience and passing the course.

Program applicants should have prior work experience, but may or may not hold a management title. Employers look to the CM certification to distinguish candidates for hiring and career advancement.

Course Objectives of Certified Leading Manager

- Enhance your management and leadership knowledge, skills, and ethics.
- Develop confidence and improve your on-the-job performance.
- Verify your level of management competency and leadership potential.
- Demonstrate your commitment to continuing professional development.
- Offer you a competitive edge for selection and advancement.
