A close-up photograph of chess pieces on a checkered board. In the foreground, a large, ornate gold king piece stands prominently. To its left, a smaller silver pawn is visible. Further back, another silver pawn is positioned. The background features a series of concentric, light gray circles that create a sense of depth and focus on the king piece.

Course Description

This intensive 5-day course empowers leaders to cultivate innovation and drive meaningful change within their organizations. Participants will explore cutting-edge leadership strategies, develop creative problem-solving skills, and learn to foster a culture of innovation. The course combines theoretical frameworks with practical applications to enhance leadership effectiveness and organizational impact.

Learning Objectives

- Develop a leadership mindset that embraces innovation and creativity
- Learn techniques to inspire and motivate teams towards innovative thinking
- Acquire tools for effective decision-making in complex, rapidly changing environments
- Understand how to create and sustain a culture of innovation within an organization
- Master strategies for leading change and overcoming resistance to new ideas

Course Modules

Day 1: Foundations of Innovative Leadership

- Understanding the innovative leadership mindset
- Assessing your leadership style and innovation potential
- The role of creativity in effective leadership
- Building a vision for innovation-driven success

Day 2: Fostering Creativity and Innovation in Teams

- Techniques for stimulating creative thinking
- Creating psychological safety for idea sharing
- Facilitating effective brainstorming sessions
- Leveraging diversity for enhanced innovation

Day 3: Decision-Making and Problem-Solving for Innovation

- Analytical vs. intuitive decision-making in innovation
- Risk assessment and management in innovative projects
- Design thinking for leadership challenges

UK Training
PARTNER

- Case studies in innovative problem-solving

Day 4: Building and Sustaining an Innovation Culture

- Key elements of an innovative organizational culture
- Strategies for overcoming resistance to change
- Aligning systems and processes to support innovation
- Measuring and rewarding innovative contributions

Day 5: Leading Change and Driving Impact

- Change management strategies for innovative leaders
- Communicating vision and inspiring action
- Scaling and sustaining innovative initiatives
- Personal action planning for innovative leadership

Practical Wins for Participants

- A personalized innovation leadership action plan
- A toolkit of creative problem-solving techniques
- Strategies for fostering an innovative team culture
- Enhanced skills in leading and managing change initiatives

A graphic of a chessboard with several chess pieces. A large gold king piece is in the foreground, with a silver pawn and a silver knight behind it. In the background, there are concentric circles emanating from a point on the board.
