Introduction

This training course will provide the basis for understanding the trends which prevail in shipping at present and provide the tools for unlocking your potential. This is primarily intended for professionals who already have exposure to shipping. This training course is designed to support participants in updating their knowledge of the sector and developing their skills in order to enhance their confidence and motivation and become successful strategists and leaders. This training course will provide a bridge to participants for achieving the next level of effectiveness, revitalising their visions, and investing more successfully in people and strengths.

Course Objectives - Shipping Management

- Identify current trends in shipping management
- Gain a better understanding of the legal environments surrounding shipping
- Understand game drivers in shipping for generating growth
- Integrate new perspectives and enhance strategic thinking
