## The Advanced Strategies in Facility Management

**Ref:** 3174\_133008 **Date:** 20 - 24 Jan 2025 **Location:** Orlando, Florida (USA) **Fees:** 5700 Euro

### Introduction

Facility management FM is a field that encompasses multiple disciplines to ensure functionality, comfort, safety, and efficiency of the built environment by integrating people, place, process, and technology. FM is categorized as either 'Hard' or 'Soft' and often involves a range of third-party providers that must be carefully managed. This course explores all aspects of FM and how to ensure maximum value is achieved, providing a range of essential considerations for the FM Manager.

### Course Objectives of The Advanced Strategies in Facility Management

- Define the foundations of Facility Management and understand Facility Management strategies
- Adopt best practice in managing the Facility Management function
- Understand the role of project and maintenance management in Facility Management
- Understand sustainability in Facility Management
- Outsource key Facility Management operations to third party organizations
