The background of the entire page is a grayscale image of a chessboard. In the foreground, several chess pieces are visible: a silver pawn on the left, a silver pawn in the center, and a large gold king piece on the right. The pieces are set against a backdrop of concentric, light gray circles that radiate from the center of the board, creating a sense of depth and focus.

Introduction

Manpower Planning is now a critical factor in the longer-term ability of International businesses to compete globally. It is now seen as a key business requirement, organizations must have a clear strategy, to support the Manpower Planning process, we will discuss a number of real-life strategies and approaches. Just like to verses of poetry, to make manpower planning more successful, you should team it up with training. The stronger the link the better the effect.

Course Objectives of Improving Manpower Planning and Training Management

- Consider a number of strategic models for manpower planning
- Master and be able to use methods to explore predictive trends.
- Develop business techniques in order to manage the manpower planning process
- Plan and implement action plans for self and individuals/managers involved in the Manpower Planning process
- Relate all the above mentioned to managing the training function in an organization
