The image features a chessboard with several chess pieces, including a king and pawns, set against a background of concentric circles. The king piece is the most prominent, positioned in the foreground on the right side of the board. The pawns are arranged in a line across the board. The background consists of a series of concentric circles that create a sense of depth and focus on the chess pieces.

Advanced Selection, Interviewing & Recruitment Skills

Ref: 3003_134498 **Date:** 06 - 10 Apr 2025 **Location:** Manama (Bahrain) **Fees:** 3700 Euro

Introduction

Organizational success depends on attracting the right level and mix of skills to meet the ever-changing business needs. In addition, recruiting and hiring the right people is getting more difficult and recruitment mistakes are getting costlier. This course will give you the knowledge and skills to ensure the business is able to plan for and attract the best employees in an efficient and cost-effective manner.

You will learn all the desirable attributes, qualities, and styles to be successful at screening, interviewing, evaluating applicants, and employees. You will learn principles and frameworks, dos and don'ts, and explore best practice examples from large organizations. You will have the opportunity to build a screening, interviewing, and evaluating portfolio through the various practical workshops that will be undertaken during the course.

Course Objectives of The Advanced Strategies in Recruitment & Selection

- Identify the importance of a talent acquisition strategy and where it fits into the overall HR and business strategies
- Recognize the importance and need for workforce planning
- Appreciate the importance of organizational culture and its impact on talent acquisition
- Develop and implement a talent acquisition strategy
- Identify the qualities and characteristics of individuals most likely to succeed in your organization
- Develop the key skills that will make you an Employer of Choice EoC and win the war for talent
- Identify and verify that the candidates have the right competencies
- Increase the likelihood of higher job satisfaction and reduce turnover rates by making sure you hire the right employee for the job
- Discover how to achieve the best value for money through adopting precise selection measures, and careful placement procedures
- Explore and implement current industry best practice in recruitment, selection, and hiring

The Advanced Strategies in Recruitment & Selection Course Outlines

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a knight) on it, set against a background of concentric circles. The text 'UK Training PARTNER' is overlaid on the right side of the board.
