Introduction

Administrative assistants are invaluable members of the office team. They are charged with overseeing and coordinating the day to day operations of a business. Thanks to the advent of communication technology, the skills these assistants require have become diversified, and the ability to multitask and juggle several different instructions at once has become essential. Other qualities needed by these members include excellent communication skills, a polished appearance, and good interpersonal instincts. This course tackles all these behavioral skills while focusing on areas related to the use of technology to get things done effectively and successfully.

Course Objectives of Effective Secretary & Communication Skills

- Define and apply the new roles of executive assistants and administrators to meet modern challenges
- Use technology to get more done and to stay connected with the office and their boss
- Plan and organize workflow effectively
- Filing, documenting, sorting, indexing, and retrieving corporate documents
- Create quality standards for a motivating and productive office environment
- Demonstrate a better command of the English language including meaning, spelling, grammar, and writing
