Project Risk Management & Compliance

Ref: 3309_135096 **Date:** 07 - 11 Apr 2025 **Location:** Düsseldorf (Germany) **Fees:** 4200 Euro

Introduction

Sometimes, serious risks may appear in the least expected places. Despite years of experience, these risks may slip out of the mind of experienced managers or supervisors. This course will raise awareness of risks management needed in any project. It also teaches participants how to comply with safety regulations imposed by the government.

Course Objectives of Project Risk Management & Compliance

- Identifying probable risks
- Creating a good and efficient action plan
- Complying with normal safety standards
- Minimizing and eliminating any expected risks
- Consistently executing successful projects
