

Strategic Healthcare Management & Administration (HA)

Hospital Management
Cairo (Egypt)
09 - 13 Nov 2025

UK Traininig

PARTNER

A close-up photograph of chess pieces on a checkered board. In the foreground, a large, ornate gold king piece stands prominently. To its left, a smaller silver pawn is visible. Further back, another silver pawn is positioned. The background features concentric circles, creating a sense of depth and focus on the king piece.

Course Description

This intensive 5-day course equips healthcare professionals with advanced skills in strategic management and administration. Participants will explore key concepts in healthcare leadership, organizational behavior, financial management, and quality improvement. The course emphasizes practical application of strategic planning and decision-making in complex healthcare environments.

Learning Objectives

- Develop and implement effective strategic plans for healthcare organizations
- Apply leadership principles to drive organizational change and innovation
- Analyze financial data to make informed decisions and optimize resource allocation
- Implement quality improvement initiatives to enhance patient care and operational efficiency
- Navigate regulatory challenges and ethical considerations in healthcare management

Course Modules

Day 1: Foundations of Healthcare Leadership

- Healthcare industry landscape and trends
- Leadership theories and styles in healthcare
- Organizational culture and change management
- Ethical decision-making in healthcare administration

Day 2: Strategic Planning and Management

- Strategic planning process and frameworks
- Environmental analysis and competitive positioning
- Developing mission, vision, and strategic objectives
- Strategy implementation and performance measurement

Day 3: Financial Management in Healthcare

- Healthcare finance fundamentals
- Budgeting and resource allocation
- Financial analysis and decision-making
- Revenue cycle management and reimbursement strategies

Day 4: Quality and Performance Improvement

A graphic of a chessboard with several chess pieces (king, queen, rook, knight, and pawns) in gold and silver. The text 'UK Training PARTNER' is overlaid on the board.

UK Training
PARTNER

- Quality management systems in healthcare
- Patient safety and risk management
- Performance measurement and benchmarking
- Continuous improvement methodologies e.g., Lean, Six Sigma

Day 5: Innovation and Future Trends

- Healthcare technology and digital transformation
- Population health management
- Value-based care models
- Emerging trends and future challenges in healthcare management

Practical Wins for Participants

- Develop a strategic plan for their healthcare organization
- Create a financial analysis and resource allocation model
- Design a quality improvement initiative
- Formulate an innovation strategy to address a current healthcare challenge
