The New Project Manager

Ref: 3123_135250 **Date:** 13 - 17 Jan 2025 **Location:** Orlando, Florida (USA) **Fees:** 5700 Euro

Introduction

This course will take participants through all aspects of project management and provides extended tools and techniques in managing projects. This course looks at the practical tasks, tools, techniques, and skills that need to be undertaken or applied to ensure a project happens as planned, results are achieved and the project is completed to specification, on time, and on budget.

Course Objectives of The New Project Manager

- Learn project management fundamentals
- Learn tools and techniques presented in a series of exercises
- Understand the role of the project manager
- Understand the key skills needed to ensure project success
- Learn and practice the newest project management techniques
