## The Oxford MBA in Finance Course

**Ref:** 3077\_135419 **Date:** 20 - 24 Jan 2025 **Location:** Kigali (Rwanda) **Fees:** 3300 **Euro**

### Introduction

Finance is a core process/function in a business that requires executive attention. Accounting is the language of business; understanding and applying this language to your business, in general, remains the single most valuable competence of management. Professionals need to enhance their personal competence in identifying best practices in finance and in accounting, to benchmark financial and analytical skills in a complex and changing environment.

This MBA Course in Finance is developed to provide business professionals with a deeper understanding of corporate finance as practiced by today's most powerful companies. Designed specifically for non-financial personnel, this intensive training approaches the subject of finance as it relates to the corporation as a whole.

### Course Objectives of Mini-MBA in Finance

- Identify best practices for the roles of CFO, controller, treasurer, and accountants in the content of, and relationships between, financial statements income statement, balance sheet, and statement of cash flows
- Discuss best practices in the use of financial statements to evaluate the financial/strategic performance of an organization
- Understand best practices in discounted cash flow DCF techniques and their application to financial decision-making
- Identify best practices in corporate performance management using key success factors, weak financial signals, and strong financial signals in various sectors
- Define best practices in the value creation/destruction process in mergers and acquisitions from the market perspective and signals to management from the market
- Clarify best practices in the roles of directors, auditors, and others in their respective roles in corporate governance
- Identify best practices in the details of financial control, risk management, and financial reporting from the perspectives of the internationally recognized professional associations

### Mini-MBA in Finance Outlines

#### Day 1

#### Getting Started with Best Practices in Finance and Accounting

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) on it, set against a background of concentric circles. The text 'UK Training PARTNER' is overlaid on the right side of the chessboard.
