Introduction

Nowadays, we are experiencing many high-profile scandals in the corporate world. Such scandals create a tough environment for organizations to conduct business, maintain effective communication, and safeguard a positive image and reputation. Corporate Communication is based on the belief that sustainable communication is essential for the health of organizations. In this course, we introduce and discuss the theories, tools, and perspectives of corporate and organizational communication to be used to enhance participants' development as communication professionals with the practical insight to deal with complex communication issues in modern organizations within a company as well as externally.
