Hospital Management and Administration (MHA) Training Course

Ref: 3294_136242 **Date:** 21 Jul - 01 Aug 2025 **Location:** Barcelona (Spain) **Fees:** 7400 Euro

Course Description

This intensive 10-day Hospital Management and Administration MHA course provides a comprehensive overview of key aspects in healthcare leadership and operations. Participants will gain practical knowledge and skills in hospital administration, financial management, quality improvement, and strategic planning. The course combines theoretical concepts with real-world applications to prepare healthcare professionals for leadership roles in hospital settings.

Learning Objectives

- Develop a strategic approach to hospital management and leadership
- Understand financial management and budgeting in healthcare settings
- Implement effective quality improvement and patient safety initiatives
- Enhance operational efficiency and resource management in hospitals
- Apply legal and ethical principles in healthcare administration

Course Modules

Day 1: Introduction to Hospital Management

- Overview of healthcare systems and hospital structures
- Roles and responsibilities of hospital administrators
- Healthcare leadership principles
- Organizational culture in hospitals

Day 2: Strategic Planning and Management

- Strategic planning process for hospitals
- SWOT analysis and environmental scanning
- Setting organizational goals and objectives
- Performance measurement and benchmarking

Day 3: Healthcare Finance and Budgeting

- Financial management in healthcare organizations
- Hospital budgeting and cost control
- Revenue cycle management
- Financial performance indicators
