Ref: 321434_136411 **Date:** 06 - 10 Apr 2025 **Location:** Online **Fees:** 1700 Euro

Introduction

The ISO 19600 Lead Compliance Manager Training enables you to develop the necessary skills and expertise to support an organization in establishing, implementing, evaluating, maintaining, and improving an effective compliance management system based on the ISO 19600 standard. During this training course, you will also gain a thorough understanding of the best practices of compliance management and learn the elements needed to implement and manage a CMS, such as: identifying compliance obligations, establishing CMS objectives and policies, demonstrating leadership and commitment, creating a compliance culture, planning and controlling operations, conducting performance measurements, audits, and management reviews, and ensuring continual improvement.

After mastering all the necessary concepts of Compliance Management, you can sit for the exam and apply for a “PECB Certified ISO 19600 Lead Compliance Manager” credential. By holding a PECB Certificate, you will be able to demonstrate that you have the professional capabilities and competencies to effectively manage a compliance management system in an organization.
