Leading Strategies in Resolving Contractual Claims & Disputes (FIDIC Claims) Training Course

Ref: 3121_137085 **Date:** 31 Mar - 04 Apr 2025 **Location:** Paris (France) **Fees:** 4400 **Euro**

Introduction

This training course is designed to provide practical assistance to those working with the FIDIC Contract Conditions 1999 and 2017 Editions in the management of claims and achieving a resolution to claims and in particular the workings of the Dispute Adjudication Board. The course is designed to provide participants with a professional understanding of the responsibilities and rights of the Parties under a FIDIC Contract and the procedures to manage claims, where the resolution of claims will be achieved more successfully. Throughout the course, exercises and case studies are provided to guide participants in the application of the FIDIC Clauses.

Course Objectives of Contractual Claims and Disputes

- Understand the claim and dispute resolution procedures under FIDIC Conditions of Contract
- Recognize practical issues encountered on projects as to claims and disputes, and how to address those
- Apply practical/hands-on feedback and insights from an experienced practitioner and a claims consultant
- Demonstrate the necessary knowledge, advice, and insights in order to navigate through the claim and dispute provisions on their projects
