PARTNER

A close-up photograph of chess pieces on a checkered board. In the foreground, a large, ornate gold king piece stands prominently. To its left, a smaller silver pawn is visible. Further back, another silver pawn is positioned. The background features a series of concentric, light gray circles that create a sense of depth and focus on the king piece.

Comprehensive Health & Safety Management & Measurement

Ref: 3243_137383 **Date:** 21 - 25 Jul 2025 **Location:** London (UK) **Fees:** 4400 **Euro**

Course Description

This intensive 5-day course provides a comprehensive overview of health and safety management and measurement. Participants will learn to develop, implement, and evaluate effective health and safety management systems. The course covers key aspects of risk assessment, policy development, performance measurement, and continuous improvement strategies.

Learning Objectives

- Develop and implement a comprehensive health and safety management system
- Conduct thorough risk assessments and implement effective control measures
- Design and apply performance measurement tools for health and safety
- Create strategies for continuous improvement in workplace safety
- Understand legal requirements and best practices in health and safety management

Course Modules

Day 1: Foundations of Health & Safety Management

- Introduction to health and safety management systems
- Legal and regulatory framework
- Developing health and safety policies
- Leadership and employee involvement

Day 2: Risk Assessment and Control

- Hazard identification techniques
- Risk assessment methodologies
- Hierarchy of controls
- Implementing control measures

Day 3: Safety Performance Measurement

- Key performance indicators KPIs for safety
- Leading and lagging indicators
- Safety audits and inspections
- Incident investigation and root cause analysis

Day 4: Health & Safety Culture and Communication

A graphic of a chessboard with several chess pieces (king, queen, rook, knight, and pawns) in gold and silver. The text 'UK Training PARTNER' is overlaid on the board.

UK Training
PARTNER

- Developing a positive safety culture
- Effective safety communication strategies
- Training and competence management
- Contractor and supplier management

Day 5: Continuous Improvement and Integration

- Management review processes
- Continuous improvement techniques
- Integrating safety with other management systems
- Action planning and implementation strategies

Practical Wins for Participants

- Ability to develop and implement a comprehensive health and safety management system
- Skills to conduct effective risk assessments and implement control measures
- Knowledge to design and apply performance measurement tools for health and safety
- Strategies to foster a positive safety culture and drive continuous improvement

A graphic of a chessboard with several chess pieces. A large gold king piece is prominent in the foreground, with a silver pawn and a gold pawn nearby. In the background, there are concentric white circles on a grey surface.
