### Course Description

This intensive 5-day course provides a comprehensive overview of healthcare management and administration. Participants will gain essential skills and knowledge to effectively lead healthcare organizations, navigate industry challenges, and drive organizational success. The course covers key areas including strategic planning, financial management, quality improvement, and leadership in healthcare.

### Learning Objectives

- Develop a strategic approach to healthcare management and organizational leadership
- Understand healthcare finance, reimbursement models, and resource allocation
- Apply quality improvement methodologies and patient safety principles
- Enhance leadership skills and effective communication in healthcare settings
- Navigate legal and ethical considerations in healthcare administration

### Course Modules

#### Day 1: Foundations of Healthcare Management

- Overview of the healthcare industry and current trends
- Healthcare organizational structures and governance
- Strategic planning in healthcare organizations
- Change management in healthcare settings

#### Day 2: Healthcare Finance and Operations

- Healthcare financial management principles
- Reimbursement models and revenue cycle management
- Budgeting and resource allocation in healthcare
- Healthcare operations and supply chain management

#### Day 3: Quality Improvement and Patient Safety

- Quality improvement methodologies in healthcare
- Patient safety principles and practices
- Performance measurement and benchmarking
- Risk management and compliance in healthcare
