Managing & Improving Public Sector Performance

Ref: 3267_137707 **Date:** 13 - 17 Jan 2025 **Location:** Baku (Azerbaijan) **Fees:** 4400 **Euro**

Introduction

This new training seminar is specifically aimed at those in the Public Sector who want to make improvements within the constraints of Government Control and existing Labor - Laws. This practical training course will explore a number of solutions, offering you new techniques and tools, which will aid your organization to produce measurable added value.

This will be a very practical training course and will go through all the key processes that can make a difference to public sector organizations; such a Competency, Performance, Employee attendance, Performance Appraisal, and building better Organizational Capability. New techniques in employee motivation will also form part of this innovative course.

Course Objectives of Improving Public Sector Performance

- Be able to show others how to significantly improve on your existing investment in competencies
- Analyse and demonstrate how performance can be improved in the Public Sector
- Take action and demonstrate financially how improving reliability will add value
- Understand and be able to significantly improve any existing Performance appraisal system and explain the benefit to Management
- Learn techniques to apply to motivate staff, specifically in the Public Sector
