# PARTNER

A close-up photograph of chess pieces on a checkered board. In the foreground, a large, ornate gold king piece stands prominently. To its left, a smaller silver pawn is visible. Further back, another silver pawn is positioned. The background features concentric circles, suggesting a ripple effect or a strategic focus.

## Enhancing Patient Engagement: Strategies for Better Outcomes

**Ref:** 3301\_138189 **Date:** 15 - 19 Sep 2025 **Location:** Maldives (Maldives) **Fees:** 4700 **Euro**

### Course Description

This intensive 5-day course equips healthcare professionals with the knowledge and skills to enhance patient engagement and improve overall healthcare experiences. Participants will learn evidence-based strategies to boost patient involvement, optimize communication, and drive better health outcomes.

### Learning Objectives

- Understand the importance of patient engagement in healthcare delivery
- Develop effective communication strategies for diverse patient populations
- Implement patient-centered care models to improve satisfaction and outcomes
- Utilize technology and digital tools to enhance patient engagement
- Design and implement patient education programs for better health literacy
- Measure and analyze patient engagement metrics for continuous improvement

### Course Modules

#### Day 1: Foundations of Patient Engagement

- Understanding patient engagement and its impact on healthcare
- Barriers to effective patient engagement
- Patient-centered care models and frameworks
- Cultural competence in patient engagement

#### Day 2: Effective Communication Strategies

- Active listening and empathy in patient interactions
- Motivational interviewing techniques
- Health literacy and clear communication principles
- Shared decision-making approaches

#### Day 3: Technology and Digital Engagement

- Patient portals and mobile health applications
- Telemedicine and virtual care strategies
- Social media and online patient communities
- Data privacy and security in digital engagement

The logo for UK Training Partner features the text 'UK Training' in a small, black sans-serif font above the word 'PARTNER' in a large, bold, black sans-serif font. The background of the logo is a stylized chessboard with several chess pieces (a king, a queen, a rook, and a pawn) in gold and silver, set against a backdrop of concentric circles.

## **Day 4: Patient Education and Self-Management**

- Designing effective patient education programs
- Promoting self-management skills
- Behavior change theories and applications
- Engaging families and caregivers in patient care

## **Day 5: Measuring and Improving Patient Engagement**

- Key performance indicators for patient engagement
- Patient satisfaction surveys and feedback mechanisms
- Continuous improvement strategies
- Case studies and best practices in patient engagement

## **Practical Wins for Participants**

- Develop a customized patient engagement strategy for their organization
- Create effective patient education materials tailored to diverse populations
- Implement a patient feedback system to drive continuous improvement
- Design a technology-enabled patient engagement initiative

A graphic of a chessboard with several chess pieces. A large gold king piece is prominent in the foreground, with a silver pawn and a silver knight behind it. The board has a checkered pattern, and there are concentric circles in the background.
