Introduction

This course focuses on the tools and techniques required to develop new business. Without them, sales will stagnate and profits will drop. The course also addresses ways to maximize the company's profitability by fostering relationships with potential players and key decision-makers in the market. By attending this program, business development professionals will acquire what they need to create and implement promotional drives in order to spur the company's market prospects and design cost-effective yet innovative options to boost sales.

Course Objectives of Corporate Business Development Professional

- Define the main functions and best practices in Business Development BD
- Recognize the importance of re-defining business processes to match the ever-changing market and customer requirements
- Produce clear sales and marketing differentiators to neutralize competition value-based proposition
- Design and use financial ratios and Key Performance Indicators KPIs to measure their operations' effectiveness
- Use leadership, negotiation, and power proposals to leverage their business and lead the key account team
