## Certified Islamic Banker

**Ref:** 32118\_138691 **Date:** 27 - 31 Jan 2025 **Location:** Malaga (Spain) **Fees:** 4400 Euro

### Introduction

Islamic banking and finance have witnessed phenomenal growth during the last decade with the UAE developing into a global hub of Shari'ah compliant economy and finance.

As the number of financial institutions offering Islamic products is increasing, there is a pressing need for qualified professionals with in-depth knowledge of Islamic banking transactions and products who can meet the requirements of this growing Islamic finance market.

The program 'Certified Islamic Banker' aims to develop qualified personnel with strong knowledge of Shari'ah standards, Islamic banking products, and operations as well as Islamic financial market operations amongst employees across all functional areas to avoid any non-compliance issues.

### Course Objectives of Certified Islamic Banker

After the completion of this course, the learners would be able to understand the:

- Key guiding principles of Islamic banking and finance
- Islamic banking VS conventional banking: Main differences in fund management and operations
- Regulatory and Shari'ah framework for Islamic banking and finance institutions
- Overview of the AAOIFI Shari'ah Standards for most used transactions
- Types and structure of Islamic banking products; Liability products, Asset products, corporate banking products; Investment products
- Islamic financial market operations; Islamic stocks, Sukuk, takaful Investment products, Islamic Fintech
- The Certified Islamic Banker Certification program is offered in Five Modules.

### Certified Islamic Banker Course outlines

#### Day 1

**Islamic banking concepts and operations; AAOIFI Shari'ah Standards for most used transactions**

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) on it, set against a background of concentric circles. The text 'UK Training PARTNER' is overlaid on the right side of the board.

UK Training  
**PARTNER**
