Course Description

This intensive 5-day course equips safety professionals and managers with advanced leadership skills to drive safety excellence in their organizations. Participants will learn cutting-edge strategies for creating a positive safety culture, reducing risks, and influencing safety behaviors across all levels of the organization.

Learning Objectives

- Develop advanced safety leadership skills and strategies
- Learn to create and sustain a positive safety culture
- Master techniques for effective risk assessment and management
- Enhance communication skills for promoting safety awareness
- Understand how to measure and improve safety performance

Course Modules

Day 1: Foundations of Safety Leadership

- Understanding safety leadership principles
- The role of leadership in safety culture
- Safety management systems overview
- Assessing current safety climate

Day 2: Risk Management and Assessment

- Advanced risk assessment techniques
- Hazard identification and control strategies
- Root cause analysis methods
- Developing effective risk mitigation plans

Day 3: Creating a Positive Safety Culture

- Elements of a strong safety culture
- Behavior-based safety programs
- Employee engagement and motivation
- Overcoming resistance to change

Day 4: Communication and Training for Safety

UK Training
PARTNER

- Effective safety communication strategies
- Designing impactful safety training programs
- Conflict resolution in safety situations
- Using technology to enhance safety communication

Day 5: Measuring and Improving Safety Performance

- Key performance indicators for safety
- Safety audits and inspections
- Continuous improvement in safety management
- Developing a personal safety leadership action plan

Practical Wins for Participants

- Ability to implement a comprehensive safety leadership strategy
- Skills to create and sustain a positive safety culture
- Techniques for effective risk assessment and management
- Personal action plan for driving safety excellence in their organization

A graphic of a chessboard with several chess pieces (king, queen, rook, knight, and pawns) in gold and silver. The board is checkered and has concentric circles in the background.
