Managing Excellence in Hospitality & Transport Training

Ref: 321564_141058 **Date:** 09 - 20 Mar 2026 **Location:** London (UK) **Fees:** 7400 **Euro**

Course Description

This intensive 10-day course is designed for professionals in the hospitality and transportation industries seeking to enhance their management skills and drive operational excellence. Participants will gain comprehensive knowledge of customer service, operational efficiency, marketing strategies, and leadership techniques specific to these sectors. The course combines theoretical concepts with practical applications to provide a well-rounded learning experience.

Learning Objectives

- Develop advanced customer service strategies for hospitality and transport
- Master operational efficiency techniques for improved service delivery
- Create effective marketing plans for hospitality and transportation services
- Enhance leadership skills for managing diverse teams in dynamic environments
- Implement sustainable practices in hospitality and transport operations

Course Modules

Day 1: Introduction to Hospitality and Transport Management

- Industry overview and current trends
- Key challenges and opportunities
- The role of technology in modern operations
- Customer expectations in hospitality and transport

Day 2: Customer Service Excellence

- Understanding the customer journey
- Personalization and customization strategies
- Handling complaints and service recovery
- Building customer loyalty programs

Day 3: Operational Efficiency in Hospitality

- Front office and reservation management
- Housekeeping and maintenance optimization
- Food and beverage service efficiency
- Event management and MICE operations

A graphic of a chessboard with several chess pieces (king, queen, rook, knight, and pawns) in gold and silver. The text 'UK Training PARTNER' is overlaid on the board.
