## Managing Excellence in Hospitality & Transport

**Ref:** 321564\_141071 **Date:** 02 - 13 Feb 2025 **Location:** Sharm El-Sheikh (Egypt) **Fees:** 6200 Euro

### Introduction

Hospitality has become a primary and leading excellence benchmark for the performance a best-in-class healthcare organization delivers on quality, safety and service. The patient experience is a journey that can take a healthcare organization to the top of the patient care league. However, if not efficient, it can also have an adverse impact on an organization's reputation and sustainability. This course provides participants with the knowledge and skills to design and implement a patient experience-based framework to improve the overall performance of their organization.

### Course Objectives of Managing Excellence in Hospitality & Transport

- Attract and engage customer-focused employees
- Build Service Level Agreement SLA to provide the best, yet efficient internal services
- Build a coaching culture that supports consistent exceptional care and service
- Identify and address the different needs of various stakeholders in Healthcare
- Design a framework that boots hospitality in healthcare
