## Legal Management and Shipping Business Masterclass

**Ref:** 321601\_141546 **Date:** 25 Aug - 05 Sep 2025 **Location:** Malaga (Spain) **Fees:** 7400 Euro

### Course Description

This comprehensive 10-day course provides an in-depth exploration of legal management and business practices in the shipping industry. Participants will gain a thorough understanding of maritime law, international regulations, shipping contracts, risk management, and operational strategies. The course combines theoretical knowledge with practical applications to prepare professionals for the complex legal and business challenges in the maritime sector.

### Learning Objectives

- Understand the fundamental principles of maritime law and international shipping regulations
- Develop proficiency in drafting and managing shipping contracts and charter agreements
- Master risk assessment and management techniques specific to the shipping industry
- Gain insights into dispute resolution mechanisms and crisis management in maritime operations
- Explore current trends and future developments in shipping business and maritime law

### Course Modules

#### Day 1: Introduction to Maritime Law and Shipping Business

- Overview of maritime law and its importance
- Key players in the shipping industry
- International maritime organizations and their roles
- Current trends and challenges in shipping

#### Day 2: Legal Framework of International Shipping

- International conventions governing maritime trade
- Flag state and port state control
- Ship registration and nationality
- Maritime zones and jurisdiction

#### Day 3: Shipping Contracts and Charter Parties

- Types of shipping contracts
- Key clauses in charter parties
- Bills of lading and their legal implications
- Contractual disputes and remedies
