Introduction

Executive assistants nowadays hold a very important position of influence and need to build a powerful partnership with the senior management team. This course will enable you to have the right competencies in order to work in partnership with your manager. After all, your success will have a direct effect on your manager's success. This course seeks to supplement your current set of capabilities by adding other highly needed competencies that will lead to excellence in your position.

During this course, you will discover ways to enhance your confidence and forward-thinking ability, allowing you to become a true business partner with the executive team. You will learn and practice powerful emotional intelligence strategies which you can immediately apply at the workplace. Moreover, you will participate in detailed discussions on the importance of building systems and having a systematic thinking approach, leading you to create several systems at the workplace. The next segment of this course discusses how to professionally deal with visitors, internal customers and external customers and how to make your department and company more customer friendly. Finally, you will learn how to develop action plans that will enhance your professional image and the image of your department and company.
