The background of the entire page features a chessboard with several chess pieces. In the foreground, a large gold king piece stands prominently on a dark square. To its left, a silver pawn is on a light square. Further left, another silver pawn is on a dark square. The chessboard extends into the background, with more pieces visible but out of focus. Overlaid on the chessboard are several concentric, light gray circles that create a sense of depth and focus towards the center of the image.
