

# IT Project Management: Mastering Digital Initiatives

#### IT Project Management: Mastering Digital Initiatives

Ref: 321713\_144648 Date: 19 - 23 Jan 2026 Location: Amsterdam (Netherlands) Fees:

4200 **Euro** 

### **Course Description**

This intensive 5-day IT Project Management course equips participants with the knowledge and skills needed to successfully lead and deliver complex digital initiatives. Covering the entire project lifecycle, from initiation to closure, the course blends theory with practical applications, ensuring participants can immediately apply their learning to real-world IT projects.

# **Learning Objectives**

- Master core project management principles and their application to IT initiatives
- Develop proficiency in project planning, scheduling, and risk management for digital projects
- Learn effective stakeholder management and communication strategies in IT environments
- Gain hands-on experience with project management tools and methodologies specific to IT
- Understand how to manage quality, changes, and resources in technology-driven projects

#### **Course Modules**

#### **Day 1: Foundations of IT Project Management**

- Introduction to IT project management concepts
- The project life cycle in digital initiatives
- IT project selection and portfolio management
- Stakeholder identification and analysis in tech projects

#### **Day 2: Planning and Scoping IT Projects**

- Developing the project charter for IT initiatives
- Creating a comprehensive Work Breakdown Structure WBS
- Estimating time and costs in technology projects
- Resource planning and team formation in IT environments

#### Day 3: Risk and Quality Management in IT Projects

- Identifying and assessing risks in digital projects
- Developing risk response strategies
- Quality planning and control in IT deliverables
- Change management in technology-driven projects

## **Day 4: Execution and Monitoring of IT Projects**

Head Office: +44 7480 775 526 | 0 7401 177 335

- Leading and managing IT project teams
- Effective communication in digital projects
