Excellence in Hospitality & Transport Management: Health Sector

Ref: 321714_144708 **Date:** 29 Sep - 10 Oct 2025 **Location:** Cape Town (South Africa) **Fees:** 5600 Euro

Course Description

This intensive 10-day course focuses on developing excellence in hospitality and transportation management within the healthcare sector. Participants will gain comprehensive knowledge and practical skills to effectively manage hospitality services and transportation logistics in healthcare settings. The course covers key aspects of patient experience, facility management, and efficient transportation systems tailored for healthcare environments.

Learning Objectives

- Understand the unique challenges and opportunities in healthcare hospitality
- Develop strategies for enhancing patient experience through hospitality services
- Master transportation logistics and management in healthcare settings
- Learn best practices in facility management for healthcare institutions
- Gain insights into integrating technology for improved service delivery

Course Modules

Day 1: Introduction to Healthcare Hospitality

- Overview of hospitality in healthcare settings
- Patient-centered care and hospitality
- Regulatory considerations in healthcare hospitality
- Current trends and future outlook

Day 2: Patient Experience Management

- Understanding patient needs and expectations
- Designing positive patient experiences
- Service recovery in healthcare settings
- Measuring and improving patient satisfaction

Day 3: Healthcare Facility Management

- Principles of healthcare facility management
- Infection control and safety measures
- Environmental services and housekeeping
- Maintenance and renovation planning
