The image features a chessboard with several chess pieces, including a king and pawns, set against a background of concentric circles. The king piece is the most prominent, positioned in the foreground on the right side of the board. The pawns are arranged in a line across the board. The background consists of a series of concentric circles that create a sense of depth and focus on the chess pieces.

Developing legal advisory and administrative skills

Ref: 321727_145119 **Date:** 03 - 07 Feb 2025 **Location:** Casablanca (Morocco) **Fees:** 3300 Euro

Introduction:

Preparing legal studies and consultations is one of the skills that must be enjoyed by lawmen in their various jobs, and it may depend heavily on long practical experience, friction and experiences, but it does not stop at this point, as it also needs a scientific method in legal research and reaching results as well. Regarding the legal method for presenting the results of the study or opinion, this training program provides a distinctive way to develop the legal and practical aspects of legal advice, so that the participants can train on the subject and master it in a practical way.

Course Objectives

- Gain the required skills in the legal advisor to be able to provide the required advice.
- Gain the skill of professionally preparing a legal advice memorandum.
- Gain legal analysis skills.
- Gaining the skills of writing legal notes in general among the participants.
- Gaining the skills of receiving legal advice and communicating with people related to them.
- Acquisition of study skills, techniques and concepts of legal research.
- Understanding how to mix theory and practice in writing legal opinion memorandums for different business entities.
- Realizing the requirements of meaningful legal notes.
- Practical practice of how to research legal issues and issue legal advice.

Course Outlines
