Maritime Security Awareness: Enhancing Safety at Sea

Ref: 321764_146147 **Date:** 15 - 26 Sep 2025 **Location:** Kuala Lumpur (Malaysia) **Fees:** 7100 Euro

Course Description

This comprehensive 10-day Maritime Security Awareness course is designed to equip maritime professionals with the knowledge and skills necessary to enhance security in the maritime environment. Participants will gain a thorough understanding of current security threats, international regulations, and best practices for maintaining vigilance and responding to potential security incidents at sea and in port facilities.

Learning Objectives

- Understand maritime security policies and regulations
- Identify and assess potential security threats in the maritime domain
- Implement effective security measures and emergency procedures
- Recognize suspicious behavior and items that may pose security risks
- Contribute to the overall security of ships and port facilities

Course Modules

Day 1: Introduction to Maritime Security

- Overview of maritime security concepts
- Historical perspective on maritime threats
- Current security challenges in the maritime industry
- Importance of security awareness for all maritime personnel

Day 2: Maritime Security Policy and Regulations

- International Ship and Port Facility Security ISPS Code
- SOLAS Chapter XI-2
- National maritime security regulations
- Role of flag states and port state control

Day 3: Security Levels and Threat Assessment

- Understanding security levels 1, 2, and 3
- Threat assessment methodologies
- Risk analysis techniques
- Security level implications for ship and port operations
