Team Building Training: Unleashing Collaboration Power

Ref: 321772_146405 **Date:** 26 – 30 April 2027 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4200 GBP

Why This Course

In today's fast-paced and interconnected workplace, the strength of an organization lies in its teams. High-performing teams drive innovation, deliver results, and adapt to change — but building and sustaining them requires intentional leadership.

This intensive 1-week Team Building program equips leaders and managers with practical tools and strategies to foster collaboration, trust, and engagement within their teams. Through a blend of interactive exercises, real-world scenarios, and actionable frameworks, participants will gain the confidence and skills to unlock the full potential of their teams and create a culture of success.

What You'll Learn and Practice

By attending this course, you will:

- Understand the principles of effective team building and high-performing team dynamics.
- Strengthen communication and collaboration across diverse team members.
- Resolve conflicts and foster trust to create psychologically safe environments.
- Motivate and engage team members for sustained performance.
- Facilitate productive meetings, brainstorming sessions, and team workshops.
- Build a positive team culture that encourages growth, innovation, and accountability.

The Program Flow

Day 1: Foundations of Team Building

- Understanding team dynamics and stages of development.
- Identifying elements of high-performing teams.
- Assessing current team strengths and gaps.
- Setting clear team goals and expectations.
- Workshop: Evaluating and enhancing your team's performance potential.

Day 2: Enhancing Team Communication

- Developing active listening and feedback skills.
- Mastering verbal and non-verbal communication techniques.
- Overcoming barriers in diverse and distributed teams.
- Practice: Effective communication exercises and role-playing.

Day 3: Building Trust and Resolving Conflicts

- Creating a culture of trust and psychological safety.
- Recognizing common sources of team conflict.
- Applying conflict resolution strategies in real scenarios.
- Facilitating challenging conversations with confidence.

Day 4: Motivating and Engaging Team Members

- Understanding individual motivators and personality differences.
- Implementing recognition, rewards, and growth opportunities.
- Empowering team members through delegation and autonomy.
- Encouraging continuous learning and professional development.

Day 5: Facilitating Team Success

- Leading productive team meetings and brainstorming sessions.
- Applying team-building activities to strengthen cohesion.
- Measuring team performance and identifying improvement areas.
- Action planning for ongoing team development and success.

Individual Impact

- Gain confidence in leading and developing high-performing teams.
- Improve communication, collaboration, and conflict resolution skills.
- Learn practical strategies to motivate and engage team members.
- Build actionable plans for sustaining team performance over time.

Work Impact

- Enhance overall team productivity and effectiveness.
- Foster trust, collaboration, and innovation within teams.
- Equip leaders to navigate conflicts and create positive work environments.
- Drive long-term organizational success through strong team culture.

Training Methodology

This program combines theory, practical exercises, and guided reflection to ensure immediate application:

- Interactive workshops and team simulations.
- Real-world case studies and problem-solving exercises.
- Hands-on practice in communication, conflict resolution, and team facilitation.
- Tools, frameworks, and templates for ongoing team development.

Beyond the Course

Participants leave ready to:

- Build and lead high-performing, cohesive teams.
- Facilitate communication and collaboration effectively.
- Implement strategies to resolve conflicts and enhance trust.
- Drive team engagement, motivation, and long-term growth.
