Legal and Contractual Risk in Financial Institutions

Ref: 321782_146652 **Date:** 13 - 17 Jan 2025 **Location:** Baku (Azerbaijan) **Fees:** 4400 **Euro**

Introduction

The Legal and Contractual Risk in Financial Institutions training course is designed to equip participants with a deep understanding of the legal and contractual risks faced by financial institutions and how to effectively manage and mitigate them. Through real-life case studies and practical scenarios, participants will gain valuable insights into identifying, assessing, and addressing legal and contractual risks to protect their institutions and stakeholders. This training course is a must for professionals working in the financial sector who seek to enhance their risk management capabilities and ensure compliance with legal obligations.

Course Objectives

- Understand the concept of legal and contractual risk within the context of financial institutions.
- Familiarize participants with the laws and regulations relevant to the financial industry.
- Identify and evaluate potential legal and contractual risks faced by financial institutions.
- Learn effective strategies for managing and mitigating legal and contractual risks.
- Enhance participants' ability to draft, negotiate, and interpret contracts to safeguard institutional interests.

Course Outlines

Day 1

Introduction to Legal and Contractual Risk in Financial Institutions

- Defining legal and contractual risk and its significance in the financial sector.
- Overview of the regulatory framework governing financial institutions.
- Understanding the impact of legal and contractual risk on business operations and reputation.
