Lyon (France)

Workshop: Mastering Crisis & Conflict Management Skills

Ref: 3215_153423 **Date:** 7 – 11 June 2027 **Location:** Lyon (France) **Fees:** 5200 GBP

Why This Course

In today's fast-changing and often high-pressure work environment, the ability to manage crises and resolve conflicts is an essential leadership skill. Organizations rely on leaders who can stay composed during challenging moments, communicate clearly, and guide their teams toward constructive solutions. Whether the issue involves interpersonal tension or large-scale organizational disruption, effective conflict and crisis management directly influences team morale, productivity, and long-term stability.

The Crisis & Conflict Management - Intensive 1-Week Program is designed for professionals seeking to strengthen their capacity to anticipate, address, and resolve workplace challenges. With a blend of proven frameworks, practical tools, and hands-on exercises, participants will gain a comprehensive understanding of conflict dynamics, crisis-response strategies, and communication techniques that support effective leadership. This program bridges theory with real-world application—equipping participants to handle difficult situations with confidence, clarity, and resilience.

What You'll Learn and Practice

By the end of the course, participants will be able to:

- Understand the nature, sources, and dynamics of workplace conflicts and crises.
- Apply effective communication strategies to de-escalate conflict and foster collaboration.
- Implement crisis management protocols and best-practice response frameworks.
- Mediate disputes and guide teams toward productive, mutually beneficial outcomes.
- Build a positive, proactive work environment that minimizes conflict.
- Strengthen personal leadership skills for managing pressure, uncertainty, and difficult situations.

The Program Flow

Day 1: Understanding Conflict and Crisis

- Defining conflict and crisis within organizational settings
- Identifying sources, patterns, and types of workplace conflicts
- Understanding the conflict escalation process and early warning signs
- Introduction to crisis management principles and leadership responsibilities

Day 2: Communication Strategies for Conflict Resolution

- Using active listening and empathy during heightened tension
- Applying assertive, clear, and respectful communication techniques
- Interpreting and managing nonverbal signals in conflict situations
- Responding effectively to difficult personalities and strong emotions

Day 3: Crisis Management and Decision Making

- Exploring crisis management models and structured frameworks
- Conducting risk assessment and applying mitigation strategies
- Making decisions under pressure and navigating uncertainty
- Developing and executing crisis communication plans

Day 4: Mediation and Negotiation Skills

- Core principles of mediation and structured negotiation
- Practicing interest-based negotiation for collaborative outcomes
- Facilitating productive discussions between conflicting parties
- Reaching, documenting, and implementing sustainable agreements

Day 5: Creating a Positive Work Environment

- Establishing a culture of trust, transparency, and open communication
- Implementing proactive conflict prevention strategies
- Developing policies and procedures for conflict and crisis management
- Designing a personal development plan for continued skill growth

Individual Impact

Participants will return with the ability to:

- Quickly assess, respond to, and resolve workplace conflicts and crises.
- Communicate more effectively in difficult conversations and high-pressure situations.
- Apply practical tools to mediate disputes and facilitate constructive outcomes.
- Contribute to a more stable, harmonious, and productive work environment.

Organizational Impact

Organizations benefit through:

- Stronger leadership response in times of conflict or crisis.
- Improved communication and reduced friction across teams.
- More consistent and effective handling of workplace challenges.
- A healthier, more collaborative organizational culture driven by proactive conflict management.

Training Methodology

This intensive program blends conceptual understanding with hands-on application through:

- Case studies of real-world conflicts and crises
- Interactive simulations and conflict-resolution exercises
- Group discussions and peer-learning activities
- Facilitator-led sessions connecting theory with practical workplace practice

Beyond the Course

Upon completion, participants will be ready to lead with composure and confidence during difficult situations. They will be equipped with practical strategies to prevent conflict, manage crises, and foster a more resilient and collaborative workplace environment.
