Intensive Communication & PR for Public Sector Course

Ref: 321641_166414 **Date:** 23 November – 4 December 2026 **Location:** Paris (France) **Fees:** 10600 GBP

Why This Course

Effective communication is the backbone of public trust and organizational success in the public sector. This intensive 2-week program equips government professionals with advanced skills in media relations, crisis management, digital communication, and internal messaging. Through a mix of practical exercises, case studies, and real-world applications, participants will learn to enhance public engagement, manage reputation, and strengthen internal communication to improve overall government effectiveness.

What You'll Learn and Practice

By completing this program, participants will be able to:

- Develop strategic communication plans aligned with public sector objectives.
- Master media relations to engage citizens and stakeholders effectively.
- Implement crisis communication strategies to safeguard public trust.
- Leverage digital platforms for impactful government messaging.
- Craft compelling content tailored to diverse public audiences.
- Improve internal communications to drive organizational efficiency.

The Program Flow

Day 1: Foundations of Public Sector Communication

- Role of communication in governance
- Differences between public and private sector communication
- Ethical principles and transparency in government PR
- Stakeholder mapping and analysis

Day 2: Strategic Communication Planning

- Developing actionable communication strategies

Individual Impact

Participants will leave the course with:

- Skills to develop strategic, measurable communication plans.
- Expertise in media relations and crisis management tailored for government contexts.
- Ability to create engaging digital content and manage public sector campaigns.
- Enhanced internal communication strategies to boost organizational effectiveness.

Organizational Impact

Organizations will benefit from:

- Improved public trust and transparency through effective communication.
- Enhanced citizen engagement and stakeholder relationships.
- Stronger crisis preparedness and reputation management.
- Streamlined internal communication for better coordination and productivity.

Training Methodology

- Interactive workshops and hands-on exercises
- Real-world case studies and scenario simulations
- Group discussions and peer learning for practical application
- Role-play exercises in media interviews, speechwriting, and crisis response

Beyond the Course

By the end of the program, participants will be fully prepared to:

• Design and execute comprehensive crisis communication plans.
• Develop impactful digital communication strategies for government departments.
• Craft clear, persuasive speeches and policy briefs.
• Implement internal communication campaigns to engage and motivate employees.
