Certified Organizational Design & Manpower Planning Pro

Ref: 321661_167011 **Date:** 8 – 12 March 2027 **Location:** London (UK) **Fees:** 5400 GBP

Why This Course

In today's fast-changing business environment, organizations must be designed to adapt, optimize resources, and align workforce capabilities with strategic goals. Effective organizational design and manpower planning are critical to achieving operational efficiency, sustaining growth, and navigating change successfully.

This intensive 1-week program equips professionals with advanced skills to design efficient organizational structures, conduct job evaluations, and develop strategic workforce plans. Through a mix of theory, practical exercises, and real-world applications, participants will leave ready to enhance organizational performance and drive impactful change.

What You'll Learn and Practice

By attending this program, you will be able to:

- Design and implement organizational structures that maximize efficiency and effectiveness.
- Conduct comprehensive job analyses and create accurate job descriptions.
- Develop strategic workforce plans aligned with business objectives.
- Optimize resource allocation and improve overall organizational performance.
- Navigate organizational change with practical implementation strategies.

The Program Flow
