Agility in Human Resource Management: Transforming HR

Ref: 321707_168318 **Date:** 21 – 25 December 2026 **Location:** Casablanca (Morocco) **Fees:** 4200 GBP

Why This Course

In today's fast-paced business world, HR professionals must go beyond traditional practices to support organizational agility and foster innovation. This intensive 1-week program equips participants with the knowledge and tools to implement agile methodologies in HR, enhancing talent management, performance systems, and employee engagement. Through practical exercises and real-world case studies, attendees will learn to drive cultural transformation and improve HR processes for dynamic organizations.

What You'll Learn and Practice

By attending this course, you will be able to:

- Understand agile principles and their application in modern HR practices.
- Develop strategies for agile talent acquisition, learning, and retention.
- Implement continuous feedback and performance management systems.
- Facilitate organizational change and build a culture of adaptability.
- Apply agile tools and techniques to improve HR processes and decision-making.

The Program Flow

Day 1: Introduction to Agile HR

- Agile principles and their relevance to HR
- The evolving role of HR in agile organizations
- Agile mindset and values for HR professionals
- Case studies of successful agile HR transformations

Day 2: Agile Talent Management

- Agile recruitment and onboarding strategies
- Designing agile learning and development programs
- Agile succession planning and career pathing
- Fostering a culture of continuous learning and adaptation

Day 3: Agile Performance Management

- Rethinking traditional performance reviews
- Implementing continuous feedback systems
- Agile goal-setting and OKRs Objectives and Key Results
- Measuring and enhancing employee engagement in agile environments

Day 4: Organizational Design and Change Management

- Designing agile organizational structures
- Facilitating cross-functional collaboration and team autonomy
- Change management techniques for agile transformations
- Building workforce resilience and adaptability

Day 5: Agile HR Tools and Processes

- Applying Scrum and Kanban to HR processes
- Data-driven decision-making in agile HR
- HR analytics and agile reporting
- Creating an agile HR roadmap for your organization

Individual Impact

Participants will leave this program with:

- A tailored agile HR strategy for their organization.
- An agile performance management framework ready for implementation.
- Practical plans for talent acquisition, development, and retention.
- Tools and processes to drive continuous HR improvement using agile methodologies.

Organizational Impact

Organizations will benefit from:

- Enhanced HR agility to respond effectively to changing business environments.
- Improved employee engagement, performance, and retention.
- Streamlined HR processes that support cross-functional collaboration.
- A culture of adaptability and continuous learning across the workforce.

Training Methodology

- Interactive lectures combined with hands-on exercises
- Real-world case studies and scenario-based learning
- Group discussions and collaborative problem-solving
- Practical application of agile tools, frameworks, and HR best practices

Beyond the Course

By the end of this 1-week program, participants will be ready to:

- Lead agile HR transformations within their organizations.
- Apply agile methodologies to improve talent, performance, and engagement processes.
- Use HR analytics and agile reporting to support data-driven decisions.
- Foster an adaptable, innovative, and resilient workforce.
