Planning and Controlling Leaders: Strategic Management

Ref: 321821_172164 **Date:** 1 – 5 August 2027 **Location:** Cairo (Egypt) **Fees:** 4200 GBP

Course Description

This 5-day intensive training program is designed to develop leaders' planning and control skills. Participants will gain in-depth knowledge in strategic thinking, effective organizational structuring, and performance management. The program combines theoretical knowledge with practical applications to help leaders manage their organizations more effectively.

Learning Objectives

- Understand and apply strategic planning processes
- Create effective organizational structures
- Develop performance management and control systems
- Adapt leadership styles to different situations
- Develop change management strategies
- Enhance decision-making and problem-solving skills

Course Modules

Day 1: Fundamentals of Strategic Planning

- Creating vision and mission
- SWOT analysis
- Setting strategic goals
- Developing action plans

Day 2: Organizational Structuring

- Organizational structures and design
- Job division and coordination
- Delegating authority and distributing responsibilities
- Building effective teams

Day 3: Performance Management and Control

- Defining performance metrics
- Implementing balanced scorecards
- Feedback techniques
- Planning corrective actions

Day 4: Leadership Styles and Adaptation
